

WELCOME!

Congratulations! You have been GRANTED entry to the United States! In just a few minutes you will exit Ellis Island and have to find a home and job.

In the space below, write a postcard to your family explaining that you have arrived in the United States and describing your experience at Ellis Island. You can also tell them what you plan to do next as you begin this new adventure in the United States.

A large rectangular box representing a postcard template. It features a vertical line on the left side, a square box in the top right corner for a stamp, and four horizontal lines on the right side for an address.
